Standings determined as follows (11U and older)

- most points (2 for win, 1 for tie, 0 loss)
- most wins
- fewest penalty minutes
- quickest goal in first game of the tournament
- coin flip

The rules regarding standings prevent teams from running up the score. Goals for and against are not determining factors.

Play-off games

- Add 5 minutes of overtime as needed (use the full 5 minutes)
- Shoot out if still tied: 3 players selected, total goals.
- If still tied, sudden death shoot out, 1 player at a time. All players must be used before players can re-attempt. If 1 team has fewer players, once that team exhausts all players and must re-use a player, the opposing team may also commence re-using their players, even if all their players have not yet competed.
